Packet Pickup

This year packet pickup will be located at the start/finish area in Bootleg Canyon. Come early to grab your bib before start time!

- Start Location - The race location is documented below
- Packet pickup will be held onsite from 5:30am till 6:59am

Awards and Prizes

This year we're working with Elevation Culture to bring you some great plaques for overall male/female winners. We love their stuff and we're confident you'll agree!

- Podium awards for top 3 male and female
- Running gear for overall winners
- Everyone will receive a hoodie and hat
- Finisher medals for all participants
- Crafthaus Beer!
- Professional photography

Come Prepared!

Be prepared for possible cold conditions at the start of the race. Things start to feel pretty comfortable after a few miles though. However, there's always a chance for a winter weather storm during this time of year.

Be sure to dress in layers for this one! You might just need that shell, but make sure you have something you can strip down to. It will more than likely be quite comfortable & warm most of the day

Bag Check / Gear Drop

Bag check and Gear Drop will be located near registration at the start/finish area.

Always come prepared for anything! Vegas is a desert and you will be exposed to every type of weather condition with very little to protect you from its wrath!

Race Location Directions and Parking

Location

Bootlegger is located in Bootleg Canyon at the Bootleg Canyon Mountain Bike Park in Boulder City, NV. The link below will guide you turn-by-turn to event parking. From here you can simply walk a short way to the start/finish area.

Pin for race start - <https://goo.gl/maps/EKM8J7Uku5yx6kij7>

Please follow these directions as the site address terminates in a different location

Parking

You will travel along Bootleg Canyon Rd until you reach a series of roundabouts which you will travel straight through. This will deliver you to the event parking on the left hand side as you approach the start/finish area.

Camping is also available in this lot on the Friday before the event!

Start and Finish Diagram

After you park, head over to registration to pick-up your bib and gear. From there, stop by the photo area to grab a shot with your stuff! Then drop your bags and stretch out before final announcements.

Start Times

Race	Time
25k 50k	7:00am

- 25k and 50k runners will start at 7am!
- This is a change from the original start times on Ultrasignup
- We've updated the start times on Ultrasignup and the Website

Cutoff Times

- 25k Cutoff will be 1pm
- 50k Cutoff will be 5pm

Aid Station Cutoff Times

Aid Station	Time of Day	Total Hours	Mileage
Start/Finish	12:00pm	5	15.5
Red Mountain	1:00pm	6	4 & 20
Mother	2:25pm	7.25	9 & 25
Veteran	3:45pm	8.75	14.5 & 29.5
Finish	5:00pm	10	31-ish

Podium Awards

All goods are produced right here in Las Vegas, NV. Pirate Monkey is putting together some awesome plaques for podium winners. All participants will also receive a finishers award for completing their race. We really appreciate their craftsmanship and creativity and we think you're going to dig the awards!

- 25k awards will be given out between 10:30am and 11:00am
- 50k awards will be given out between 12:30pm and 2:30pm depending on finishing times for males & females
- Top Male and Female of the 25k and the 50k will win special prizes.

Vendors

Limitless Therapy Services

Limitless will be out on race day to hook you up with some post run recovery after your race. Included in your registration is a sports massage from one of their great physical therapists!

Trashy Trail Runners

Trashy Trail Runners are a local non profit organization who are dedicated to keeping the trails that we love free from waste left behind by recreationists. These fine folks will be onsite to teach us all how we can do our part to keep our local trail systems clean and unimpeded by practicing simple pack in, pack out concepts.

About the Course

The Bootlegger 25k & 50k course is a counter clockwise loop of the entire Bootleg Canyon Park, including roughly 4.5 miles on BLM land on the western edge of the route. 50k runners will complete this loop two times!

The course conditions are steep, sharp and unforgiving. Show it some respect!

Aid Stations

There will be a total of 4 aid stations including a kitchen/aid station at the start/finish line. All aid stations will be stocked full of the usual aid station fare along with special menu items designed by the aid station sponsors.

- Start / Finish Aid - <https://goo.gl/maps/GrmwruFdGCxj4zEXA>

This year the aid station will be run by kitchen extraordinaire Craig Stein. If you've eaten anything at a Desert Dash event then you can be sure it was carefully procured and prepared by our buddy Craig. You're in good hands.

- Red Mountain Aid - <https://goo.gl/maps/6Nrn9d8Kk65ZvdRc8>

The Red Mountain Aid Station will be hooking you up early on in the race and later on around mile 20. Lots of good staples here

- Mother Aid - <https://goo.gl/maps/PyQ1HDbipkNBF9or5>

Mother Aid will be staffed by Rob Erikson and Rebecca Thomas. They will be ready to hook you up when you least expect it! You'll know what we're talking about when you get back there. You'll be happy for support late in the race no doubt.

- Veteran Aid - <https://goo.gl/maps/vCaRMd1FtZvAtrkQ7>

The fine folks at Henderson Track Club will be keeping you energized at Veteran Aid.

Aid Station Locations

Course Marking

The race course will be marked with reflective surveyor flags or ribbon every ¼ mile. Trail Signs will be posted at major intersections. Wrong way signs will be posted along trails that intersect and travel away from the course. This course is 98% single track. If you find yourself on a jeep trail or double track for more than a few steps, you're definitely off course! Turn around and trace your steps until you reach a surveyor flag.

Bootlegger 25k | 50k

(example of a reflective surveyor flag and directional trail sign)

Communications

All aid stations and volunteers on-course will leverage two-way radios and cell phones on the Verizon network to communicate back with the start/finish area. Medical personnel will have direct access to these communication channels. Should you run into some trouble on course, you can reach out to **Joshua Eddy - 702-539-9116**. Most cell phone networks have service in these areas. If you don't have access to a cell phone or your phone is out of range, please see the next aid station volunteer who will radio Desert Dash staff for assistance. The aid stations are no more than 5 to 5.5 miles apart.

Course Rules

It's easy! Ensure that you carry respect with you while running on the trails in our home. Please don't litter and give plenty of room to plant life and animals in the area. Be kind to other runners and encourage future participation in our sport; show appreciation for the volunteers who support you; and SMILE, this is for fun!

Thank You

You can throw on a pair of shoes and run anywhere you like. We strive to foster that simplicity by creating an atmosphere where you can do what you love, with the people you care about, in the places you want to be. Throw on your shoes and come play with us!

A special thanks to all the great volunteers and friends who make Desert Dash events possible.

We're dedicated and passionate about what we do and we hope that dedication translates effortlessly in your experience at our events. If anything doesn't match your expectations, please feel free to reach out to us at joshua@desertdash.com or ashley@desertdash.com

Thank you for running & volunteering with us!
